

## Proficiency Check Form

Name: \_\_\_\_\_

Before you do the task, your Faculty Coordinator must decide the proficiency level on which you should function: Intermediate Low, Intermediate Mid, etc.

To receive points on the assignment, you will need to demonstrate to 2 fellow students for each “Can Do” task that you can do the task. Once they sign off that you can do this, you will need to demonstrate to your LF that you can do the task as well. If your LF cannot certify that you can do the task adequately, he/she will advise you how to improve. After you have followed his/her advice and improved your performance you will return to your LF for his/her approval. To get full credit, all tasks must be certified by the following week and submitted to your Faculty Coordinator who will ask you to demonstrate one task of his/her choice. If you are unable to complete all the tasks you will have 2 options: 1) you will need to determine if the reason you are not able to complete the tasks is because you are attempting tasks that are too high of a level for your current abilities. If so, then you should try to complete the tasks for the lower level during the following week. This is a one-time offer during the first week. If you can fulfill all the tasks for the following week (in addition to the new homework assignment), you will be given full points. 2) If you need more time to fulfill the tasks, you will have until the following week’s meeting to complete the tasks and demonstrate to your Faculty Coordinator that you can perform them but you will only receive partial credit. These check forms will provide you with the incentive to work on developing these skills and increase your proficiency. They will play a critical role in how you are graded in the course.
