

Thesis Prospectus
BYU Second Language Teaching M.A.

Name						BYU I.D. #
	Last name	First Name	Middle Initial			
Language of Specialization		Research Focus				

Include your written prospectus to this document. Normally, the following information is included:

- I. Working Thesis Title
- II. Statement of the Problem (introduction to the research area, hypothesis to be tested, question to be answered, explanation of what this research is about)
- III. Significance of the Problem (what others have said about this problem and the contribution to scholarship or to the language-teaching profession you will make through this research, i.e., why this research is worth doing)
- IV. Previous Related Research (a brief discussion of what has been done related to your proposed research, including appropriate citations.)
- V. Method (study design and procedures you intend to follow; indicate any controls, instruments, samples, analysis, evaluation, IRB clearance, etc.)
- VI. Time Line (when you intend to complete the review of literature, data collection, project development, thesis defense, etc.)
- VII. Preliminary Literature Review

When complete, sign below, obtain signatures from your committee and SLaT Graduate Coordinator, and then deliver to the Center for Language Studies Office in 3086 JFSB.
